PRESEASON NOTES

BANNER YEAR
Penn State will unveil its 2018 National Invitation Tournament championship banner during pregame festivities on opening night Friday, Nov. 9 vs. North Florida.

ON A STREAK
The Nittany Lions enter the 2018-19 season with the second-longest win streak in the nation at five games, behind only Villanova (11).

GETTING DEFENSIVE
In preseason previews of 2018-19, the Big Ten Conference field and individual honors, senior guard Josh Reaves rises to the top as the pick for the league's top defensive player. Athlon Sports' superlatives tab Reaves and Lindy's also picks the league's two-time steals leader as its top defender.

RIVALS MEET FOR RELIEF
Penn State men's basketball will travel to West Virginia as the two teams will play an exhibition game on Saturday, Nov. 3 at WVU Coliseum. All proceeds from the game will benefit American Red Cross hurricane relief efforts.

Meeting at least once each year from 1936-91 as regional foes and conference opponents, Penn State and West Virginia have not played since January 1991 when the Nittany Lions won in Morgantown, 66-63.

TWENTY FOR THE BIG TEN
The Big Ten Conference announced in October 2017 that the league's 14 men's basketball programs would move to a 20-game schedule beginning in 2018-19. The Big Ten will be the first conference to play 20 conference games in the history of Division I basketball with each team playing seven opponents twice and six teams once (three home, three away) in a given season.

Penn State will play Illinois, Maryland, Michigan, Nebraska, Purdue, Rutgers and Wisconsin twice. The NIttany Lions will welcome Indiana, Iowa and Michigan State to the BJC and play road games at Minnesota, Northwestern and Ohio State. The full schedule is listed on page 6.

CLIMBING WITH US
Penn State fans confirmed their passion for the basketball program's climb, averaging more than 11,400 in attendance over the final five home games of the 2017-18 season with a waiting list for courtside tickets for the upcoming campaign.

With more than 1,800 student season tickets sold more than month before the 2018-19 season tips off, Penn Staters are already anticipating the gameday atmosphere and the new 20-league game format, which will bring 10 conference contests to the BJC.

GAVITT TIPOFF GAMES, THE SEQUEL
The Nittany Lions will participate in their second Gavitt Tipff Games series during the first full week of the 2018-19 college basketball season. Penn State and DePaul were paired in the inaugural Gavitt Tipoff Games in 2015. FS1 will provide the broadcast of the Thursday, Nov. 15 meeting in Chicago. Start time is set for 9 p.m. ET.

The unique series between the two conferences was named to honor the late Dave Gavitt, the founder of the Big East Conference and basketball visionary. Gavitt had a profound and lasting influence on the sport of basketball on the collegiate, professional and Olympic levels and was inducted into the Naismith Memorial Basketball Hall of Fame in 2006.

FOR OPENERS
The Nittany Lions will open the 2018-19 season at home in the Bryce Jordan Center for the 14th-straight year. Penn State has won 12 of its last 13 season openers.

Each Big Ten team will play two league games in early December for the second consecutive year. Penn State defeated Iowa for its first conference-opening win on the road since 2010-11 (69-60 W at Indiana, 12/27/2010) and first win in Iowa City since 2001.

THE NUMBERS GAME
With 113 victories in his seven-year career at Penn State, coach Patrick Chambers is closing in on the win totals of Ed DeChellis (114, 8 years) and Jerry Dunn (117, 8 years).

NEW TO THE NITTANY LIONS
Penn State's trip to Cancun will be the first time the Nittany Lions will play in Mexico and its first in-season international trip since a trip to Puerto Rico early in the 2012-13 season. Two opponents on the 2018-19 slate, North Florida and Jacksonville State, part of the U.S. Regional of the Cancun Challenge, are first-time foes for the Nittany Lions.

NEW FACES
Six newcomers join the Nittany Lions for the 2018-19 season with with four freshmen signees: guards Rasir Bolton, Myles Dread, Myreon Jones and Daniil Kasatkin and two transfers in guards Izaiah Brockington (St. Bonaventure) and Kyle McCloskey (Villanova-FB). McCloskey will have four years to play basketball and Brockington will have three years of eligibility remaining.

NEW PLACES
Penn State guard and alumnus Tim Frazier (2009-14), signed a contract to join the NBA's Milwaukee Bucks during their preseason camp. Shep Garner (2014-18) inked a deal with the Grand Rapids Drive of the G League during the fall while Donovon Jack (2012-16) signed with KD Hopsi Polzela in Slovenia. In June 2018, D.J. Newbill (2012-15) agreed to a new contract to play with the NBL's Cairns Taipans.

Tony Carr, drafted by the New Orleans Pelicans in June 2018, is currently playing for Fiat Torino in the Italian Lega Basket Serie A. Brandon Taylor will tip off the 2018-19 season in October with his new team, Salon Vilpas, in Finland's Korisligga.

FOUR IN THE FAMILY

Kyle McCloskey, who transferred to Penn State after spending fall 2017 playing quarterback for the Villanova football team, will be the fourth member of his immediate family to attend Penn State. Both McCloskey's parents, Mike and Mimi, are Penn State graduates and were Nittany Lion student-athletes.

His father was a tight end for Penn State (1979-82) and played on the 1982 national championship team, then continuing his career in the NFL (1983-87). Kyle's mother competed in track and field and his sister, Megan, a 2018 graduate was also a member of the track and field team, becoming the first female Nittany Lion student-athlete to earn All-America status in the high jump.

THE PENN STATE BASKETBALL STORY

"The Penn State Basketball Story," is the digital series available on GoPSUsports.com/lionvision with highlights on the team's social media accounts. "The Penn State Basketball Story" will offer a view of the Nittany Lions' practices and preparation for games, perspectives from the Penn State coaches and game action from this season's action-packed schedule.

PATRICK CHAMBERS

PENN STATE HEAD COACH

DETERMINED.

The new sign in the reception area of the Penn State men's basketball office in the Bryce Jordan Center is impossible to overlook. The word defines both the Nittany Lion program and Patrick Chambers, the coach who is determined to lead the program to its next level of success.

Chambers is determined to establish the Penn State program with a culture of teamwork and excellence, built on pillars of accountability, faith, humility, gratitude and passion. He's determined to set and achieve high expectations for Nittany Lion basketball. He's determined to challenge his student-athletes to get better each and every day and develop young men into leaders with the goal of competing for championships.

In 2017-18, Chambers had Penn State basketball program poised to take the next step in its pursuit of consistent, sustainable success.

By the end of December, the Nittany Lions reached double-digits in wins, led in part, by a trio of sophomores who committed to forging their own paths at Penn State. Melding as a team, growing, and tucking away lessons from practice or a tough game, the Nittany Lions stepped into the spotlight, defeating No. 13 Ohio State at Value City Arena, one of only two teams in the nation to accomplish that feat in 2017-18.

The relentless attitude the Nittany Lions possess, both in practice and on gameday is paying off: five victories over ranked opponents on Penn State's homecourt in the last three seasons, including, most recently, a 23-point win over a top-10 team in 2017-18, the largest margin of victory over a ranked team in the program's history. The crowd, unsurprised by the big win at the Bryce Jordan Center, swept onto the court to celebrate with the Nittany Lions.

By the end of February 2018, the Nittany Lions racked up nine Big Ten Conference wins, the most, to date, in the Chambers era. A week later, Penn State picked up its 20th and 21st wins, the latter coming at the earliest point ever for the Nittany Lions. Chambers added those two wins in the 2018 Big Ten Tournament, with a total of five hard-fought Big Ten tourney wins in his tenure, tied with Ed DeChellis for the most by a Penn State coach.

Playing their best basketball in March, Chambers' squad registered seven wins against only one loss, and powered through the postseason to the 2018 National Invitation Tournament championship. Penn State defeated teams from the Atlantic Coast, Atlantic 10, Big East, Pac-12 and Southeastern conferences with an average scoring margin of 10.4 points per game in the NIT contests.

Dozens of records were broken and the increase in offensive production saw Penn State score 70 points or more in 29 games, while the stalwart defense, a Chambers' hallmark, harassed and frustrated opponents. Fourteen opponents in 2017-18 failed to score more than 60 points against the Nittany Lions.

Individual records were rewritten as well as Shep Garner broke the 23-year-old Big Ten single-season record for 3-pointers with 120 and etched his name in the Penn State yearbook for both the single-season and career mark. Tony Carr became the

first Penn State men's sophomore to reach the 1,000-point career mark with Lamar Stevens becoming the second to achieve that milestone. For the first time since 2001, three Penn State 1,000-point scorers, Carr, Stevens, and Garner, were on the court together. Just a short time later that same night, the Nittany Lions would reign as NIT champions and cut down the nets at Madison Square Garden.

A Philly native, Chambers was introduced as the 12th head coach in program history June 6, 2011, and he has poured his passion and energy into building the Nittany Lion program.

Signing the top two recruiting classes in program history in back-to-back years, the 2016 group was ranked in the top 25 and the 2015 class in the top 30. A trio of players with freshmen eligibility started the 2016-17 season opener, another first. They combined for 90 starts, and added another 23 from a sophomore, giving the young Nittany Lions a birth by fire, but putting them in position for success.

The impressive performances of the rookies earned them several honors during the course of their initial campaigns with three Big Ten Freshmen of the Week accolades and Big Ten All-Freshman team selection Carr.

Carr would become the first Penn State basketball player to earn Big Ten All-Tournament honors as a sophomore in 2018. His back-to-back 25-point games put him in elite company as one of only five Big Ten players with multiple 25-point games in a single tournament in 21-year history of the event.

With Carr selected as a first-team All-Big Ten Conference pick by both the coaches and media following the 2017-18 season, junior Josh Reaves and redshirt sophomore Mike Watkins produced another program first – two Nittany Lions on the All-Defensive Team. Watkins and Stevens also were named to the league's list of players to receive All-Big Ten honorable mention honors in 2018.

Chambers has guided seven other players to a combined eight All-Big Ten honors, including Tim Frazier's first-team nod in 2011 and Brandon Taylor's third-team selection in 2016.

Frazier ended his career as the all-time leader in assists – a record Chambers also holds at his alma mater, Philadelphia. When D.J. Newbill's PSU career was complete, he was the fourth-ranked scorer in Nittany Lion history, after just three seasons, and Ross Travis has the third-most rebounds of any player to wear the Blue and White.

Chambers has sent Carr, Garner, Frazier, Newbill and numerous other players into the professional ranks. Garner inked a deal with the Grand Rapids Drive in fall of 2018 while Carr is playing for Fiat Torino in Italy's premier league. Frazier (2009-14) recently joined the Milwaukee Bucks organization, and Newbill (2013-15) signed a new contract to play for the National Basketball League's Cairns Taipans.

His first senior class produced a professional basketball player in Newbill, a professional football player, Indianapolis Colts tight end Ross Travis), a Ford engineer (Alan Wisniewski) and accountant (Kevin Montminy) who recorded eight-consecutive semesters of a 4.0 GPA, proving all avenues of success are available as a member of the program.

Maintaining academic success and helping his players earn their degrees is a primary priority for Chambers and his staff. For the eighth-straight year, the Nittany Lion basketball graduation figure exceeded the national average for sport and in the 2017 report, that figure was 22 points higher than the Division I average.

With more expectations, you've really got to remain in the now – stay present – and understand you have to work that much harder to be successful and consistent.

ON LEADERSHIP on FORBES.COM
MAY 2018

Chambers' rise in coaching has been meteoric. He served as a part-time assistant at Episcopal Academy (HS), Director of Operations at Villanova, assistant coach at Villanova, associate head coach on Jay Wright's 2009 NCAA Final Four team and head coach at Boston University prior to leading the Nittany Lion program.

AT BOSTON UNIVERSITY

Chambers came to direct the Penn State program from Boston University, where in 2010-11 he led the Terriers to the America East Conference Championship and the program's first NCAA Tournament berth in more than a decade. He posted a 42-28 record in two years as head coach of the Terriers, becoming the only coach in BU history to earn 20 wins in each of his first two seasons and the fastest in program history to earn a conference championship.

The Terriers earned a 21-14 mark for the second straight year under Chambers in 2010-11. Led by 2011 America East Player-of-the-Year and two-time scoring champion John Holland, BU fell after challenging No. 1 seed Kansas in the Terriers' first NCAA Tournament game since 2002. Chambers led BU to the semifinals of the College Basketball Invitational in 2009-10 as the Terriers won at Oregon State and beat Morehead State in the CBI for BU's first postseason wins since 1959. BU also posted its first perfect home conference record since 1998.

Chambers' Boston University teams reflected his strong ties in the "City of Brotherly Love" as his 2010-11 squad featured six players from the Philadelphia area. His personable nature and winning teams energized a stagnant basketball fan base at the hockey-centric school.

AT VILLANOVA

A native of Newtown Square, Pa., Chambers previously played for and coached with two of the nation's most successful college coaches. From 2004-09, he was a member of Wright's staff at Villanova University, serving as associate head coach in 2008-09. He helped the Wildcats earn four NCAA Sweet 16 appearances and advance to the 2009 NCAA Final Four during his tenure. Chambers played for Magee at Philadelphia University (formerly Philadelphia Textile), helping Magee become college basketball's all-time victories leader (941) and a 2011 Naismith Basketball Hall of Fame inductee.

During Chambers' five seasons on Wright's Villanova staff, he was instrumental in helping lead the Wildcats to a 126-45 record (.737), including the institution's single-season win record of 30-8 in 2008-09. The Wildcats advanced to the NCAA Tournament all five seasons of Chambers' tenure and posted a 56-28 (.667) record in Big East Conference games. Chambers had responsibilities in all facets of the program, including recruiting, scouting, on-court instruction and player development. He

was instrumental in building the Wildcats' 2009 recruiting class, ranked No. 3 in the nation by ESPN.com, and brought in ESPNU Top 100 players Maalik Wayns, Dominic Cheek, Mouphtaou Yarou and Isaiah Armwood to Villanova.

Named Villanova's associate head coach in 2008, Chambers helped lead the Wildcats to the 2009 NCAA Final Four, the school's first in 24 years, and saw Villanova advance to the Sweet 16 for the fourth time in five NCAA appearances during his tenure. Villanova posted an 11-5 mark in the NCAA Tournament during Chambers' time on the Wildcat bench and won at least 22 games in each of his five seasons, including the 2009 senior class posting a program-record 126 career victories.

Chambers also served as Villanova Director of Basketball Operations (2004-05) and as an assistant coach (2005-2008) under Wright, the 2009 Big East Coach of the Year. Four Villanova players Chambers worked with played in the NBA and five other Wildcats from his tenure played professionally overseas. He recruited four McDonald's All-Americans to Villanova.

A standout guard under Magee, known as "The Shot Doctor," at Philadelphia U., Chambers graduated from the university in 1994 with a degree in marketing and a minor in finance. He joined the NCAA Division II university's basketball team as a walk-on in 1990 and went on to have an outstanding career, becoming the team's starting point guard, earning first-team All-ECAC honors and leaving as the school record holder in assists with 709. Chambers helped lead the Rams to four NCAA Division II Sweet 16 appearances and two Elite Eight appearances.

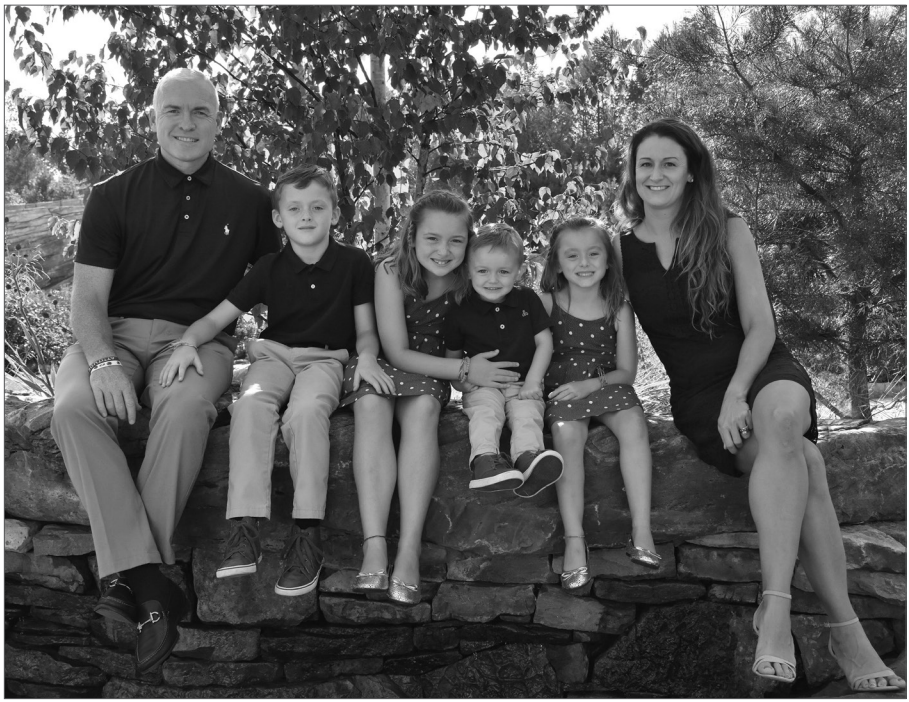

Chambers began his coaching career as an assistant coach at Delaware Valley (Pa.) College in 1995-96. He left coaching to help operate the family business, but returned in 1999 after being named the top varsity assistant coach at Episcopal Academy, a position he held through 2004. High School All-Americans Wayne Ellington (North Carolina) and Gerald Henderson (Duke) were among the players he helped develop at Episcopal Academy under Dougherty.

Chambers himself played for Dougherty at Episcopal. Dougherty logged 621 victories at Episcopal, the most of any city high school coach, and also served collegiate coaching stints as the successor to Bob Knight at Army (1972-75) and as an assistant at Villanova (1967-72). Dougherty coached such standouts in the college game as Fran Dunphy, Bruiser Flint, Fran O'Hanlon and Jerome Allen.

THE CHAMBERS FAMILY

The Chambers family is well represented at Penn State basketball games. Chambers and his wife, Courtney, have four children, Grace, Ryan, Caitlin and Patrick and three of Chambers' 11 siblings are Penn State graduates – brothers, Chris and Joe, and a sister, Megan, who resides in State College.

Chambers' older brother, Tim, was the 1984 Ivy League Player of the Year as a defensive back on a Penn football team that won three-consecutive Ivy League titles. Another older brother, Paul, was a three-year starting point guard (1989-92) on the Penn basketball team and stands fifth all-time in career assists for the Quakers with 396.

Coach Patrick Chambers and his wife, Courtney, are the parents of four children: Ryan, Grace, Patrick and Caitlin.

MORE INFO: CVCPENNSTATE.ORG

"My staff and I are all in with Penn State Coaches vs. Cancer. We can not only fight cancer, but we can make a difference in the lives of people right here in our community both financially and emotionally letting them know they are not alone."
- PATRICK CHAMBERS

Patrick Chambers is enthusiastically leading the organization, which will reach the $3 million milestone this year.

In its 23rd year, Coaches vs. Cancer®-Penn State consistently ranks among the top 10 CVC organizations in the nation. It was established in 1995 under then-head coach and State College native, Bruce Parkhill, and raises funds to support the American Cancer Society as well as the Bob Perks Cancer Assistance Fund, a local nonprofit that provides direct support to those in our community who are fighting cancer and need assistance with everyday household bills. CVC-Penn State sponsors a year-round program of events and is also fortunate to be the beneficiary of third party events including the State College Brew Expo and the Reverse Car Drawing.

The flagship event of the CVC-Penn State program is the annual Coaches vs. Cancer® Golf Tournament. The 22nd annual event welcomed nearly 100 sponsors, including the presenting sponsor, PSECU, to make the 2018 tournament at the Blue and White golf courses another great success. More than 300 golfers and 60-plus groups helped raise a net total of $127,425. Fifty-plus Penn State coaches and former Penn State athletes joined Coach Chambers. Local media personalities, as well as Big Ten Network analyst, Shon Morris, also participated.

Coaches vs. Cancer® Night is held at one Big Ten home game each year. In addition to cheering on the 2018 NIT Champion Nittany Lions, it's an opportunity to thank the CVC sponsors, and even more importantly, to let everyone know that it takes a team effort to help people with the battle against cancer. CVC works tirelessly throughout the year with one goal in mind – to make a difference in the fight against cancer.

Held each fall in partnership with the Bestwick Foundation, the Reverse Car Drawing has a loyal following of supporters who gather at Medlar Field at Lubrano Park, home of the Penn State Baseball team and the State College Spikes, for an evening of hors d'oeuvres, entertainment, and a chance to win a luxury car. Proceeds are split with CVC. In 2017, the CVC funds provided room accommodations for 29 patients and their caregivers from Centre County, who stayed 511 nights at the American Cancer Society's Hope Lodge® in Hershey, saving them over $76,000 in lodging costs.

Funds raised through the American Cancer Society's Coaches Vs. Cancer® support the ACS mission to help people Stay Well, Get Well, Fund Cures, and Fight Back, both on a local and national level.

KEITH URGO

ASSOCIATE HEAD COACH

Continuing to build on the foundation for Penn State basketball's success, Keith Urgo begins his fifth season as associate head coach and eighth season overall. Urgo and Patrick Chambers, who have worked side-by-side for more than a decade, combine to create the energetic force that drives the Nittany Lion program forward.

The 2017-18 season witnessed Penn State's highly regarded recruiting classes transfer their success to the win column with 26 victories, the second-highest total in program history, an appearance in the Big Ten semifinals at Madison Square Garden, and Penn State's second National Invitation Tournament championship.

Penn State's progress and upward trajectory are products of a purposeful plan with unwavering belief and an intrinsic work ethic, with the goal of getting better each and every day. The improvements have been steady, with three more wins over ranked opponents added to those the Nittany Lions have compiled in the last seven years.

The success on the court, paired with the university's nationally ranked academic programs, an engaged alumni network that is second to none, and the opportunity to establish the Nittany Lion basketball program on the national scene offer opportunities, but Urgo and the members of the basketball staff are assets in their own right. While the Washington, D.C., native may not tout his own strengths as a coach and person, his abilities in building relationships and developing young men into the leaders of tomorrow do not go unnoticed.

Shep Garner and Tony Carr, the most recent additions to Penn State's list of professional players join Tim Frazier, now with the Milwaukee Bucks, and D.J. Newbill, with the National Basketball League's Cairns Taipans, as those who benefitted from Urgo's instruction and guidance.

Carr, Garner, Frazier and Newbill helped pave the way for the Nittany Lions' success and all etched their names in the Penn State record book. They are just a few of the student-athletes mentored by Urgo, as the list is lengthy, and includes Scottie Reynolds, the Most Outstanding Player at the 2009 NCAA East Regional, Corey Fisher, Maalik Wayns and Reggie Redding from Villanova, to name just a few.

Urgo is at the forefront of Penn State's recruiting efforts which have produced two classes that earned national rankings with more to come. The class of 2015 was the first-ever top-30 signing class in program history. A year later, Penn State's first top-25 recruiting class took the mantle as the program's best. The 2017 class made major contributions to the Nittany Lions' milestone 2017-18 campaign with the class of 2018 prepared to do the same for the upcoming season.

Mentored by the head coaches of his two teams at Gonzaga College High School, his decision to embark on a career in coaching was influenced primarily by the assistant basketball coach at his high school.

ASSOCIATE HEAD COACH KEITH URGO

A 2002 graduate of Fairfield University, Urgo was a two-sport athlete who played varsity basketball and lacrosse for the Stags. Following graduation, he helped develop a non-profit organization with his best friend and teammate from Gonzaga High School and his two brothers, "Playing for Peace, Inc.", designed to aide in conflict resolution. The organization is based in four locales: Durbin, South Africa, Northern Ireland, the West Bank in the Middle East, and Cypress, Greece.

Urgo's role with the organization took him first to South Africa and then to Northern Ireland, where for the next 18 months he would teach basketball to local youth and help them develop leadership skills. The organization, now operating as "PeacePlayers International," has been recognized with numerous prestigious awards including the 2007 Arthur Ashe ESPY Award for Courage.

Returning stateside in 2004, Urgo accepted a position as an assistant coach at Gonzaga and directed the junior varsity squad to a 32-7 record while assisting with the national powerhouse varsity team. A student of the game, Urgo planned trips to university campuses during the Eagles' offseason to observe programs and learn more from coaches in the collegiate ranks.

A hallway conversation, based on relationships Urgo had developed throughout his life, opened the door for an opportunity to join the Villanova basketball staff in 2007 as video coordinator. He moved up to the position of director of basketball operations and spent two seasons in that role, including 2008-09, when Villanova reached the NCAA Final Four. He was named an assistant coach for the Wildcats' 2010-2011 season.

In his five years at Villanova, the Wildcats made the NCAA Tournament every season while Urgo was on the staff, including a Sweet 16 appearance in 2008, in addition to the trip to the 2009 Final Four.

Urgo, and his wife, Kristy, have three children: Ty, Cody and Samantha.

JIM FERRY

ASSISTANT COACH

After a record-breaking year for Penn State in his first season as an assistant coach, Jim Ferry returns for his second year in University Park.

Ferry's offensive philosophy and expertise had a major influence on the Nittany Lions, which translated to an increase in Penn State's point production and helped rewrite the record book. The 74.7 per game scoring average was the Nittany Lions' best since the 2000-01 Sweet 16 season and through mid-February, all five starters had scoring averages in double figures. Penn State was one of only 13 NCAA Division I teams that could make that claim.

In 2017-18, team and individual offensive success went hand-in-hand. The 2,915 point total ranked No. 1 in program history and the 1,297 point total in Big Ten Conference games also took the top spot, bettering the mark from the season prior. The 72.1 points per conference game average tied for third highest, while the 46.4 field goal percentage easily ranked No. 1 in the 26 years of Big Ten play.

More than 50 team and individual records were broken after the 2017-18 Penn State squad racked up 26 wins, second-most in program history, en route to the program's second National Invitation Tournament title.

The 1,057 field goals smashed the previous mark, set in 2008-09, by more than 150. Records for 3-point field goals, both by the team (294) and by senior sharpshooter Shep Garner, also fell with Garner capturing both Penn State's career record (336) as well as PSU's single-season mark (120). That total also allowed him to break the Big Ten single-season record that stood for 23 years previously.

Penn State coach Patrick Chambers hired the veteran mentor and former Duquesne head coach in summer of 2017, calling upon Ferry's experience as he continued to build the Nittany Lion program for long-term success.

Ferry's Duquesne teams reached several milestones in his five years there, including a 17-win mark in 2015-16, a total reached only six times in the previous 43 years. The Dukes set a school record for points (2,704) that year and netted 322 three-point field goals, the third-highest total in Atlantic 10 history. During that season, Ferry celebrated his 300th career coaching win and the Dukes helped add to that total with a trip to the postseason.

The Dukes posted other notable wins under Ferry, recording a victory at Atlantic 10 foe Temple in 2013, their first since 1995. An upset of 10th-ranked Saint Louis on the Billikens' home court gave Duquesne its first road win over a top-10 team in more than five decades. Victories over teams in the Atlantic Coast, Big Ten and Big 12 conferences helped the program make significant progress.

Prior to his five years at Duquesne, Ferry spent 10 seasons as head coach at LIU Brooklyn, guiding that program to unprecedented levels of success. At Long Island, Ferry led the Blackbirds to Northeast Conference regular-season titles and tournament championships in 2011 and 2012, including their first NCAA Championship appearance in 14 years.

Ferry engineered a turnaround at LIU Brooklyn, inheriting a team that had won only five games in the season before his arrival. He transformed the program into a winner, posting back-to-back campaigns of at least 25 wins, and helped position the Blackbirds for a third-straight NCAA Tournament appearance in 2013.

With his offensive-minded approach, Ferry has produced some of the nation's top scoring squads. LIU Brooklyn was the fourth-highest scoring team in the country in 2011 and the 2012 Blackbirds ranked second, scoring at a clip of 81.4 points per game. In addition to steady improvements in other key statistical markers at Duquesne, the Dukes closed in on an 80 points per game average in 2015-16.

KEVIN FREEMAN

ASSISTANT COACH

Head coach Patrick Chambers announced the addition of Kevin Freeman to the Nittany Lion coaching staff in June 2018. Freeman joins Penn State as assistant coach after spending seven years as the director of basketball administration with the University of Connecticut men's basketball program.

A member of the staffs for UConn's 2014 NCAA Championship and 2016 American Athletic Conference title, the Springfield, Massachusetts, native held responsibilities for UConn's basketball operations, including NCAA compliance, travel and practice schedules. Freeman also was the liaison between the program, campus administration and campus community as well as the director of basketball camps.

Freeman joined the UConn program as assistant director of basketball administration in 2011-12 after an 11-year professional basketball career that included a tenure with Venezuela during its three championships, as well as with clubs on four other continents in Italy, Australia, Greece, South Korea, China, Puerto Rico and Spain.

Following a lauded prep career at Paterson Catholic (N.J.) High School, Freeman was a multi-year starting forward for UConn as the Huskies advanced to the NCAA Elite Eight in 1998 and posted a 34-2 record en route to their first national championship in 1999.

Following the 1999 championship season, Freeman was selected to play for the United States men's basketball team in the 1999 World University Games in Spain. He was the leading scorer in two of the team's eight wins, averaging 8.0 points and 4.4 rebounds per game as the U.S. won the gold medal that summer.

Freeman earned several accolades during his collegiate career. He was named the Most Outstanding Player of the 1999 Big East Championship. Freeman also earned a spot on the 1999 NCAA West Regional All-Tournament team and the 2000 UConn Scholar Athlete of the Year award.

The Husky co-captain finished his career sixth on the UConn all-time rebounding list with 913 boards and 12th on the career scoring list with 1,476 points.

ROSS CONDON

DIRECTOR OF OPERATIONS

Ross Condon begins his eighth season with Penn State basketball, and including two years at Boston University, his 10th year with coach Patrick Chambers.

As director of basketball operations, Condon oversees the administration of the team's on- and off-court activities and serves as the program's liaison with Penn State's Student-Athlete Welfare and Development and NCAA Compliance units. He leads the competition scheduling process as well as assists the coaching staff with practice planning, opponent scouting and coordinating recruiting efforts.

Condon's efforts in providing the program with organization and structure have played a major role in Chambers' strategic plan for success on the hardwood and in the classroom. For the eighth year in a row, the team posted a perfect Graduation Success Rate (GSR).

The 26-win total, second-highest in Penn State program history, cemented the team's success on the court in 2017-18, and included three wins over ranked opposition and a trip to the Big Ten Tournament semifinals. The Nittany Lions marched to the 2018 National Invitation Tournament title with an average scoring margin of 10.4 with wins over teams from the Atlantic Coast, Atlantic 10, Big East, Southeastern and Pac-12 conferences.

As a Nittany Lion assistant coach, Condon helped direct the 2016-17 offense that scored 70 points or more in 21 games and averaged 70.1 points per game during Big Ten play, both bests in a 16-year span. The increase in offensive production broke program records and resulted in Tony Carr breaking the freshman assist record. Carr would also earn a spot on the 2017 Big Ten All-Freshman team.

The 2016 Nittany Lion recruiting class, of which Lamar Stevens and Carr were both a part, ranked in the nation's top 25, the best recruiting class in Penn State history. This highly regarded class followed a trio of 2015 signees, who, at the time, composed the program's first-ever top 30 recruiting class.

Condon came to Penn State after two years as an assistant coach at Boston University, helping guide the Terriers to back-to-back 21-win seasons and postseason appearances both years. BU went 21-14 in 2010-11, winning the America East Conference championship and advancing to its first NCAA Tournament in more than a decade (2002). Condon worked specifically with the Terrier guards, including 2011 America East Player of the Year John Holland, with the NBA's Cleveland Cavaliers roster, first-team all-conference guard Darryl Partin and all-conference rookie honoree D.J. Irving.

Condon graduated from Villanova with a degree in business administration in 2007 and was hired as the director of basketball operations for Radford University, working under 2009 Big South Coach of the Year Brad Greenberg. He played an important role in the biggest turnaround in league history, which included a 2009 Big South championship and trip to the NCAA Tournament.

Condon was a walk-on and four-year letterwinner on Villanova's basketball team, playing his final three seasons under Chambers, who was a Wildcat assistant coach at the time. With the Wildcats, Condon was part of a squad that captured the 2005-06 Big East regular-season title and made three-straight appearances in the NCAA Tournament, reaching the Sweet 16 in 2005 and the Elite Eight in 2006.

Following his junior year at Villanova, Condon was selected to represent the United States at the 2006 World Maccabi Games in Australia, where he contributed to a team gold medal.

The Springfield, Virginia, native and former all-state high school player was an exemplary student-athlete at Villanova. Condon was a three-year selection to the Big East All-Academic Team and also served as the men's basketball team's representative to the university's student-athlete advisory committee.

Condon married the former Mary Rabe in August 2016.

DIRECTOR OF PLAYER DEVELOPMENT

David Caporaletti begins his eighth season as a member of the Nittany Lion basketball staff and ninth season overall working with coach Patrick Chambers.

In his role as the program's director of player development, the Philadelphia native is responsible for the implementation of schedules and programs to promote student-athlete success. He oversees scheduling of team events, equipment ordering and distribution and overall program advancement initiatives.

Caporaletti expanded his knowledge of the team's and coaching staff's day-to-day and long-term needs as the program's director of operations from 2015-17. He moved to the operations role after three years as Penn State basketball's recruiting coordinator.

Charged with managing the Nittany Lions' recruiting efforts, Caporaletti was responsible for the coordination of all official and unofficial prospective student-athlete visits. From 2012-15, the Nittany Lion coaching staff laid the groundwork for the top two recruiting classes in the program's history, signing a top 30 class in 2015 and top 25 class a year later.

Caporaletti also served as the director of Penn State men's basketball camps and assisted with the coordination of community and camp appearances. He still works with the Penn State Hoops Club, helps organize other Penn State men's basketball alumni functions and is involved with the Penn State chapter of Coaches vs. Cancer©.

In his second year at Boston University, coach Chambers tapped Caporaletti to handle logistics and administrative support for the program. The Terriers posted a 21-14 record that season and advanced to the NCAA Tournament for the first time since 2002 after winning the America East Conference championship.

At BU, Caporaletti assisted with the organization of official and unofficial prospective student-athlete visits while also helping coordinate travel arrangements and academic support for the team. Caporaletti also managed the organization and promotion of all Chambers' basketball clinics.

Prior to joining Chambers at Boston University in 2010, Caporaletti was a long-time business owner in Philadelphia. His experience in collegiate athletics includes working with Naismith Memorial Basketball Hall of Fame coaches Herb Magee at Philadelphia University and the late Rollie Massimino at Keiser University.

Caporaletti earned his bachelor's degree in business administration from Philadelphia University in May of 1993.

He and his wife Amanda are the parents of a son, Eugene Paul.

Former Nittany Lion basketball player Nicholas Colella begins his fifth season as a member of the Penn State basketball staff and fourth year as director of on-campus recruiting.

Colella is responsible for the coordination of official and unofficial prospective student-athlete visits. He also plays an integral role with men's basketball summer camps, assists with the coordination of community and camp appearances, and works closely with marketing on the Nittany Lions' social media presence.

In addition to his responsibilities related to recruiting future Nittany Lions, Colella also develops and maintains strong relationships with Penn State basketball letterwinners, alumni and donors.

Colella wrapped up a playing career worthy of a movie script in 2013. He spent two years of his collegiate career at the NCAA Div. III Penn State-Behrend campus (Erie, Pennsylvania) before matriculating to the main campus, spending two weeks as practice player with the Lady Lions basketball team and then joining the Penn State team through the open walk-on tryout process in 2010.

A member of Penn State's 2011 NCAA Tournament team, the left-hander worked his way into a significant role starting six-straight Big Ten games in 2011-12 and then earning a role as a team captain the following year. Chambers rewarded Colella with a scholarship for his senior year.

In his senior campaign, he became a major part of the Nittany Lions' core lineup starting 14 games and playing in all 31. In the final nonconference game of the 2012-13 season, Colella connected on five three-pointers for 15 points. He scored nine points in Penn State's senior night victory over Michigan. The win over the fourth-ranked Wolverines was, at the time, the highest-ever in the Bryce Jordan Center.

Following his collegiate playing career, he served two seasons as a Penn State graduate manager before assuming his current role.

Colella holds two degrees from Penn State, a bachelor's in kinesiology (2013) and a master's in educational leadership (2015).

March was amazing for the Nittany Lions as they won seven games during the month, tied for the most ever by a Penn State team. The 2017-18 squad also posted the highest-ever win percentage in conference and postseason games in March 2018, at 87.5 percent (7-1 record).

MORE THAN 50 RECORDS BROKEN
More than 50 Penn State records fell during the 2017-18 season with 31 individual and 21 team records being replaced. One Big Ten record, the individual single-season mark for 3-point field goals, was broken by senior guard Shep Garner (120).

6 FOR 8,457
In the last seven years, six Nittany Lions added their names to Penn State's 1,000-point career scoring list for a total of 8,457 points, with three finishing their careers in the top 10: Tim Frazier, Shep Garner and D.J. Newbill. In 2017-18, Tony Carr and Lamar Stevens became the first- and second-ever Penn State men's basketball sophomores to reach the milestone.

1,000 TIMES THREE
For only the second time in its history, after Lamar Stevens scored his 1,000th career point in the NIT championship game, Penn State had three 1,000-point scorers on the court at the same time in Carr, Garner and Stevens. The last time the Nittany Lions had three was in the 2000-01 season.

POINTS RISING
Just one of the indicators of Penn State's increase in offensive output was setting the program's record for points scored overall (2,915) and in Big Ten (1,297) action in 2017-18, breaking its league scoring record from a year ago.

The 2017-18 points per game average of 74.7 is the highest since the 2000-01 season, highest under Chambers, and a 12.9-point difference from his first season in 2011-12.

RANKED FOES TESTED IN BJC

Penn State won five of its last seven contests versus ranked teams at home in the Bryce Jordan Center. The Nittany Lions' 23-point margin of victory over No. 8 Ohio State is the largest over a ranked team in the program's 122-year history.

TOP HALF

Penn State finished in a tie for sixth in the 2017-18 Big Ten standings, earning the No. 7 seed in the 2018 Big Ten Tournament. The sixth-place finish is only the third time in history the Nittany Lions finished in the top half of the standings and sixth time finishing above .500 at 9-9. The No. 7 seed was the highest achieved in Chambers' tenure and tied for second-highest since the Big Ten Tournament started in 1998 (#6–2009, 2011, #7–1998, 2008).

LUCKY 7

Penn State became the first No. 7 seed to advance to the Big Ten Tournament semifinals since 2011 (Michigan State). It was the Nittany Lions' fourth trip to the semifinals since the inception of the tournament in 1998 and second trip under Chambers.

B1G STATEMENT

The Nittany Lions won games in consecutive years in the Big Ten Tournament for the first time since the 2000 and 2001 tournaments. In its last four Big Ten Tournament appearances, Penn State posted five wins, most in any four-year span since the tournament began in 1998.

29 GAMES WITH 70+ POINTS

Penn State scored 70 or more points 29 times in 2017-18, the most games in a single season in program history and breaking the old record by five games (24, 1999-2000).

FIRST THINGS FIRST

For the first time in its history, the Nittany Lions picked up a sweep of Iowa. Penn State won its Big Ten opener at Iowa City Dec. 2, its first win in Iowa City since 2001.

FOR A SECOND... AND THEN A THIRD

Penn State swept Ohio State for the second time in Chambers' seven seasons, knocking off the No. 13 Buckeyes in Columbus for only the sixth time in 25 games in Columbus. The Nittany Lions were one of only two teams with a win at Value City Arena in 2017-18 (Clemson, Big Ten/ACC).

Three weeks later, the Nittany Lions defeated the No. 8 team in the nation and held Ohio State to its lowest point total since December 2014. A third meeting came in the quarterfinals of the 2018 Big Ten Tournament with the Nittany Lions going 3-0 on the year against the Buckeyes with an exciting 69-68 victory at Madison Square Garden.

Penn State topped three Big Ten teams in the same season three times: Ohio State (2017-18), Indiana (2008-09) and Northwestern (2005-06).

HOME SWEET HOME

With a 78.9 win percentage (15-4) in the Bryce Jordan Center in 2017-18, Penn State took over the program's No. 4 spot for home season win percentages. The 15 wins in the BJC were the second-highest in a single season (17, 2008-09).

ON THE ROAD

With the win at Illinois, Penn State matched its program high three conference road wins (at Iowa at Ohio State and at Illinois) since joining the Big Ten in 1992-93.

ON THE ROAD, AGAIN

Penn State won six "true" away games (at an opponent's arena) in 2017-18, a total achieved only four times since joining the Big Ten Conference in the 1992-93 season. The 11 "away from home" wins matched the previous high totals in 2000-01 and 1964-65.

B1G STREAK: W4

The Nittany Lions' four-game Big Ten winning streak tied their longest since starting Big Ten play in 1992-93. The skein of four wins has been accomplished three times in Penn State men's basketball history, in 2017-18, 2008-09 and 1995-96.

- Penn State never trailed in the contest, the first time the Nittany Lions accomplished that feat on the road in the Big Ten regular season since 2010-11 with a 66-52 win at Northwestern (2/24/2011).
- Prior to the game in Iowa City, the last game in which Penn State led from start-to-finish against a Big Ten opponent was vs. Nebraska in the 2017 Big Ten Tournament (3/8/17).
- The Nittany Lions kept the Hawkeyes without a basket for three-and-a-half minutes to build an eight-point lead with 4:43 remaining in the game.
- Penn State's defensive efforts forced 18 Iowa turnovers for 22 Nittany Lion points.
- Stevens had his eighth career 20-plus point game, which included a perfect 6-6 from the free throw line. The sophomore forward added five rebounds and two blocks to his stat line.
- Redshirt-sophomore Mike Watkins split his point total nearly evenly with 10 of his 19 points coming in the first half. He also registered a team-high seven boards and three blocks.

POSTGAME NOTES

- Sophomore guard Tony Carr scored his Big Ten Tournament career-best 25 points and connected on six of the Nittany Lions' Big Ten Tournament record 13 3-pointers.
- The 13 3-pointers rank second on the list of total 3-point field goals in a single game of the tournament.
- Senior guard Shep Garner had his fourth double-digit performance in a tournament game and he provided a boost defensively. Garner drew a charge from a Wildcat, fouling out one of Northwestern's top offensive options, and sparked a 15-5 Nittany Lion run.
- Carr's 3-pointer at 4:36 started the Nittany Lions' 13-0 run and put them up for good after the game featured eight ties and seven lead changes.
- A clutch putback layup by Julian Moore helped keep Northwestern at bay. Moore also had three blocked shots, all in the second half, and all at critical times.
- Junior guard Josh Reaves scored 11 of his 15 points in the second half and had a team-best eight rebounds.
- With the game deadlocked at 30 all at the half, Garner drilled two 3-pointers in the first three minutes to push Penn State to a 39-32 lead.
- Penn State committed only five turnovers in the game.
- The win over Northwestern in the second round gave Penn State's Big Ten Tournament wins in consecutive years for the first time since the 2000 and 2001 seasons. Chambers has now guided the Nittany Lions to wins in three of four tournament appearances, a first for Penn State in its Big Ten era.

FORMER HEAD COACH BIOS

HEAD COACH
BURKE HERMANN

Years: 1916-17 & 1920-32 (15)
Record: 148-73 (.669)

Burke M. "Dutch" Hermann, Penn State's first basketball coach, retired in 1956, after a nearly 50-year affiliation with the University. A 1912 Penn State graduate, Hermann guided the Nittany Lions from 1916 until 1932, with the exception of two years of service as a lieutenant during World War I. The team did not have a coach in 1918, however; Hugo Bezdek served as coach in 1919. Hermann also served as freshman football coach during those years.

Hermann, who hailed from Middleburg, Pa., lettered four years in basketball, served as captain in 1910 and lettered as a football player in 1911. He compiled a record of 148-73 during 15 seasons as head basketball coach. Hermann's teams were especially dominating over a six-year period from the start of the 1919-20 season through the '24-25 season. The Lions were 73-13 during that stretch and, in 1921, outscored their opponents by a two-to-one margin.

As a professor of history, Hermann served on Penn State's Athletic Advisory Board for many years. He was awarded the Lion's Paw Medal by that organization's Alumni Association in 1968. Hermann died in 1977.

HEAD COACH
HUGO BEZDEK

Year: 1919 (1)
Record: 11-2 (.846)

Hugo Bezdek, a native of Prague, Czechoslovakia, earned numerous accolades as Penn State's football coach from 1918-29. He also served as athletic director from 1918-36, and directed the basketball team for one season (1919) while then-head coach Burke Hermann served during WWI.

Bezdek's 1919 Penn State team went 11-2 and finished the year with eight straight wins.

As athletic director, Bezdek initiated fund raising in 1918 to build Rec Hall and 10 years later the building was constructed for $572,260.

Bezdek gained All-America status at Chicago, where he was a fullback in football and a second baseman on the baseball team. His collegiate coaching experience included head football coaching jobs at Oregon (1906, 13-17), where his team defeated Pennsylvania, 14-0, in the 1917 Rose Bowl, and Arkansas (1908-12). He also managed the Pittsburgh Pirates major league baseball club (1917-19).

Bezdek, who died in 1952, posted a 65-30-11 record during 12 seasons as head football coach at Penn State. He was named to the National Football Foundation College Football Hall of Fame in 1954 and the Helms Foundation College Hall of Fame in 1960.

HEAD COACH
EARL LESLIE

Years: 1933-36 (4)
Record: 29-28 (.509)

A 1922 graduate of the University of Oregon, Earl "Spike" Leslie coached the Penn State basketball team for four seasons from 1933-36. A three-year football letterman at Oregon (1919-21), he was named to the Pacific Coast Conference first team as a tackle in 1920. Leslie earned his master's degree from Columbia.

Despite reduced schedules in 1933 and 1934, Leslie's first two teams posted winning records. His 1934-35 outfit raced out to an 8-3 start, before dropping its final six games. In 1935-36, Penn State joined the "fast" Eastern Intercollegiate Conference and went 0-10, 6-11 overall.

Highlights during Leslie's tenure included four straight wins over Army and a rare road win at Pennsylvania. He achieved a composite mark of 29-28.

Leslie returned to Oregon as a teacher and coach at Coquille High School, southwest of Eugene. He remained in that capacity until he died on Oct. 12, 1957. The Coquille football stadium is named in his honor.

HEAD COACH
JOHN LAWTHER

Years: 1937-49 (13)
Record: 150-93 (.617)
NCAA tournament: 1-1

Raised on a farm in Carroll County, Ohio, John Lawther earned national recognition as one of the leading proponents of zone defenses during 23 seasons as a coach at Westminster College and Penn State.

A 1919 Westminster graduate, Dr. Lawther retired from the Penn State faculty in 1965 following a long and distinguished career in secondary and higher education. As basketball coach from 1937 until 1949, he compiled a 150-93 record. Lawther's first team posted a 6-4 Eastern Conference mark after a 0-10 league slate the previous year. His 1942 team went 18-3 and advanced to the NCAA East Regional, defeating Big Ten champ Illinois.

Lawther had a great running feud with animated Pittsburgh coach Doc Carlson, who despised the zone which Lawther favored. When the two teams met Jan. 15, 1944, in the Steel City, Pittsburgh froze the ball and the resulting 15-12 Penn State win grabbed national headlines. Great anticipation surrounded the rematch as Carlson attacked the Lions' zone and lost, 35-29.

In 10 seasons at Westminster, Lawther's teams compiled an impressive 166-35 mark. His most memorable moment coaching the Titans came on Dec. 29, 1934, when he guided them to a 37-33 win over undefeated St. John's in the first college basketball doubleheader at Madison Square Garden.

PSU's wartime coach, Lawther was elected to the NAIA Basketball Hall of Fame in 1962 and is a member of the Helms Foundation Hall of Fame. Lawther's winning percentage (317-127, 71.4 percent) still ranks among the top 50 all-time in Division I.

HEAD COACH
ELMER GROSS

Years: 1950-54 (5)
Record: 80-40 (.667)
NCAA Tournament: 2 (4-3)
1954 FINAL FOUR

Munhall, Pa., native Elmer Gross served as John Lawther's assistant for four years and assumed the head coaching position from Lawther following the 1948-49 season. Captain of Penn State's 1942 NCAA team, Gross directed the Nittany Lions to an 80-40 record and two NCAA Tournament berths. He used Lawther's sliding-zone defense and added a fast-break offense which saw the Nittany Lions top 1,000 points for the first time in 1950.

His 1954 squad, paced by All-America center Jesse Arnelle, placed third in the NCAA Tournament, finishing No. 9 in the final AP poll. The Lions shocked eighth-ranked Louisiana State and ended Notre Dame's 18-game winning streak to advance to Kansas City for the Final Four. Gross was praised for masterful use of his bench and a full-court press which confused tourney opponents. Penn State has had two teams finish in the nation's Top 10 (1942: No. 10 Dunkel Index) and Gross was a key figure on both.

A World War II Purple Heart veteran, Gross was wounded in 1944, following one of the early amphibious landings on the coast of France. He returned to PSU as a graduate assistant coach in 1945 and earned his master's degree in 1947. He was the first coach in NCAA tourney history (1952) to also have played in the tournament (1942). Dr. Gross retired from Penn State in 1978 and died in Sun City, Ariz., in 2007.

HEAD COACH
JOHN EGLI

Years: 1955-68 (14)
Record: 187-135 (.581)
Postseason: 2 NCAA (1-3), 1 NIT (0-1)

The all-time winningest coach in Penn State basketball history, John Egli, like his predecessor, Elmer Gross, was a John Lawther disciple. In 14 seasons at the helm, Egli guided the Nittany Lions to an overall mark of 187-135, including NCAA bids in 1955 and 1965 and an NIT berth in 1966. A native of Williamsport, Pa., Egli was a co-captain on the 1943 Penn State basketball team and was named to the NCAA East Regional all-tournament team in 1942.

Egli entered military service in 1943. He received the Purple Heart after being wounded at Bastogne on Christmas Day, 1944, and was hospitalized in England for six months. In 1947, he was appointed instructor of physical education and director of the intramural and varsity athletic programs at Penn State-DuBois.

Two years later, Egli was named assistant coach at University Park under Elmer Gross. After five seasons, he was elevated to head coach in 1954-55. His first team topped 2,000 points for the first time in school history. He was one of the nation's foremost authorities on the tactics and strategy of the zone defense. His teams ran off a string of 15-5, 16-7, 20-4 and 18-6 records between 1963 and 1966.

In 1962, Egli presented the sliding zone defense at the National Association of Basketball Coaches convention in Louisville, Ky. Four years later, he was installed as the fourth vice president of the NABC. His book, Sliding Zone Defenses for Winning Basketball, still is used by many coaches. Egli died in 1982; he was posthumously inducted into the Pennsylvania and Clearfield County Sports Halls of Fame.

A schoolboy star at St. John's Prep in Brooklyn, N.Y., Bach's collegiate playing career was interrupted by World War II and four years of service as a Naval officer.

He played two seasons of professional basketball with the Boston Celtics and Hartford before returning to Fordham as head coach. He guided the Rams to an overall mark of 292-193 and appearances in two NCAA Tournaments and five NITs.

At Penn State, Bach's teams were renowned for their pressure man-to-man defense with four squads ranked in the nation's top 20 in scoring defense. His teams posted back-to-back records of 17-8 and 15-8 in 1972 and 1973 respectively, behind Brooklyn native Ron Brown. He coached Penn State through 1977-78.

Bach served as Henry Iba's assistant at the 1972 Olympic Games in Munich, when the U.S. lost the controversial title game to the Soviet Union. Following a stint as head coach of the Golden State Warriors (1983-86), he served as an assistant coach to Phil Jackson and the three-time NBA champion (1991-93) Chicago Bulls. A native of Pottstown, Pa., Harter served as a lieutenant in the U.S. Marine Corps for three years following graduation from Pennsylvania in 1953. He was the freshman athletic director at Penn for seven years (1958-65) before a one-year stint as head basketball coach at Rider, producing a 16-9 season. Harter returned to Penn as head coach for the 1966-67 school year and in five seasons fashioned an 88-44 mark, including a 25-2 NCAA team in 1970 and a 28-1 NCAA squad in 1971.

He left Penn for Oregon in 1971 and in six seasons in Eugene guided the Ducks to a 113-81 mark and three NIT appearances. He joined the NBA coaching ranks as an assistant to Chuck Daly with the Detroit Pistons, and later became the first head coach of the Charlotte Hornets (1988-89). He passed away in March 2012 at the age of 81.

HEAD COACH
BRUCE PARKHILL

Years: 1984-95 (12)
Record: 181-169 (.517)
Postseason: 1 NCAA (1-1); 4 NIT (9-4)

A State College native, Bruce Parkhill directed Penn State into a new era — the Big Ten Conference. His patience was rewarded between 1989-92 when his teams compiled an overall mark of 87-40 and advanced to post-season play each year. His third Big Ten team finished 21-11 in 1994-95.

He began his coaching career in 1972 as a graduate assistant at Virginia after starring in three sports at Lock Haven University. At age 28, Parkhill was named head coach at William & Mary and in six seasons registered an 89-75 mark.

He was appointed head coach at Penn State prior to the 1983-84 season. Building from the bottom, his Nittany Lion teams demonstrated steady progress, going 53-84 in his first five seasons and then improving to 20-12, 25-9, 21-11 and 21-8. In 1990, Parkhill was named Atlantic 10 Conference Coach of the Year and the Lions went on to place third in the National Invitation Tournament. His 1991 club captured the Atlantic 10 championship and stunned UCLA in the NCAA Tournament. All 43 seniors who played for Parkhill at Penn State graduated. He resigned on Sept. 6, 1995. Parkhill is second in Penn State history in coaching wins.

HEAD COACH

Record: 117-121 (.492)
Postseason: 2 NCAA (2-2); 2 NIT (8-2)

Jerry Dunn became the 10th head coach in Penn State history just before the start of the 1995-96 season. A long-time assistant under Bruce Parkhill, Dunn stepped in and guided Penn State to the NCAA Tournament and its first top 10 national ranking in his first season. He was the NABC District 3 Coach of the Year that season after the Lions were 21-7 that season, finishing a school best 12-6 in Big Ten play.

In 1997-98, Dunn guided Penn State to an 8-8 Big Ten finish and a superb post-season run that culminated with a spot in the NIT final. He became the fastest coach in Penn State history to reach 50 career wins as the Lions ended the year 19-13. Two years later, Penn State advanced to the Big Ten Tournament semifinals and once again earned a trip to Madison Square Garden for the NIT semifinals. The Nittany Lions went 19-16 that season.

The 2000-01 season was a special and historic one for Penn State as the Nittany Lions again advanced to the Big Ten Tournament semifinals and earned a spot in the NCAA Tournament. Penn State, the No. 7 seed, downed No. 10 Providence in the first round before shocking No. 2 seed North Carolina in the next round. Perhaps the biggest win in school history, the victory vaulted Penn State to its first-ever appearance in the 'modern day' NCAA Sweet 16. The Lions ended that campaign 21-12 and earned a postseason top-25 ranking (No. 25 Coaches Poll). He resigned on March 17, 2003. Dunn is the head coach at Tuskeegee University.

HEAD COACH
ED DeCHELLIS

Years: 2004-2011 (8)

The 2009 Big Ten Coach of the Year led his teams in posting a school-record 27 wins in 2009 and reached the program's first Big Ten Tournament Championship game in 2011.

DeChellis recruited and coached Penn State's first three members of the Big Ten All-Freshman team, including 2006 Big Ten Freshman of the Year Jamelle Cornley. He also brought in Talor Battle who would go on to become Penn State's all-time leading scorer with 2,213 points and the fourth player in NCAA history to record 2,000 points, 600 rebounds and 500 assists.

DeChellis was named the 2006 National Coaches vs. Cancer Man of the Year as he turned the Penn State program into one of the top five CVC programs in the nation. JOE CRISPIN

G / 6-0 / PITMAN, N.J.

A four-year starter and 2001 captain, Joe Crispin starred for Penn State during one of the program's best periods as the team made three postseason appearances during his career, including trips to the 2001 NCAA "Sweet 16," 1998 NIT final and 2000 NIT semifinals.

Crispin finished his Penn State career as the leader in career minutes played (4,063), field goals attempted (1,611), three-point field goals attempted (885) and free throw percentage (.885) and was the Lions' second all-time scorer with 1,986 points. Following his final season, he ranked second all-time with 308 career threes and was third with 485 assists.

Crispin scored 21 points in an upset victory of No. 6-ranked and No. 2-seeded North Carolina in the 2001 NCAA Tournament to help Penn State reach the "Sweet 16," widely considered the greatest game in Penn State history. He also nailed an off-balance 22-foot three to knock off No. 2 ranked Michigan State in the quarterfinals of the Big Ten Tournament that season, the highest ranked team Penn State has ever beaten.

He ranks seventh among career NCAA Tournament scorers (46 points) and second among NIT scorers (146). Crispin earned first-team All-Big Ten first honors in 2001 (coaches), and second team in 2000 (coaches and media) and 2001 (media). He was a Big Ten All-Tournament team honoree in 2000 and 2001 and earned four Big Ten Player-of-the-Week awards. Crispin averaged 19.5 ppg in 2001 and was named NABC All-District first-team while earning a share of the John Lawther team MVP award.

Penn State posted a 72-55 mark in his four seasons. He later joined the Los Angeles Lakers in 2001 as a free agent and enjoyed a highly successful career for more than a decade in Europe.

Crispin is currently the head men's basketball coach at Rowan University in New Jersey.

DAN EARL

G / 6-3 / MEDFORD LAKES, N.J.

One of the most talented point-guards in Penn State history, Earl battled through numerous injuries in a career that spanned six seasons. A four-year starter and two-year captain, Earl would miss most of two seasons due to injury following his junior season when he helped lead Penn State to the 1996 NCAA Tournament. He returned for his senior campaign in 1998-99.

As a sophomore, he helped lead Penn State to a third-place finish in the 1995 NIT and Penn State finished second in 1998 NIT with Earl serving as an injured captain. A second-team All-Big Ten selection in 1996 and third team in 1999, Earl averaged 10.6 ppg and 4.8 apg over his career.

The 1999 third-team CoSIDA Academic All-American set a Penn State single-season record of 181 assists as a sophomore (a mark which stood until 2009) and ranks third all-time with 574 career assists. He ranks 19th all-time with 1,256 career points, eighth with 162 career steals and eighth with 194 threes.

Earl is one of three players to lead Penn State in assists in four seasons, posting 100 or more in each campaign, and also led the Lions in steals in three seasons. Earl's average of 5.7 assists per game in 1995 ranks as the fourth-best PSU season mark.

Earl returned to Penn State as an assistant coach from 2005-2011. He is currently the head coach at VMI.

SHEP GARNER

G / 6-2 / CHESTER, PA.

With his decision to forge his own path at Penn State, guard Shep Garner had a major impact on the Nittany Lion program.

Garner finished his career as the all-time No. 5 scorer in Penn State history with 1,629 points and played 4,443 minutes, second only to Big Ten Conference career record holder Talor Battle (4,799). In his final game in a Blue & White uniform, leading his team to 26 wins, second-most in program history, and the 2018 NIT championship, he broke both the Big Ten and Penn State records for 3-point field goals in a season (120) and the Nittany Lion record for career 3-point field goals made (336).

The Chester, Pa., product personified Penn State basketball and was a part of 75 wins during his time in Happy Valley, most in a four-year span in the Big Ten era. Garner had 81 double-figure scoring games in his career with 18 games with 20 or more points. His two 30-point games were especially memorable. As a sophomore, he hit 10 field goals, including eight 3-pointers for 30 points at Boston College for the Big Ten/ACC Challenge victory.

In his final Big Ten Tournament game, a semifinal contest vs. No. 5 Purdue, Garner, who wore number 33, scored 33 points on March 3 (3/3), leaving it all on the court. He took possession of Penn State's Big Ten Tournament career scoring record with 135 points.

Garner signed with the Grand Rapids Drive in October 2018.

TIM FRAZIER

G / 6-3 / HOUSTON, TEXAS

One of the truest Nittany Lions on and off the court, Tim Frazier finished his career as Penn State's all-time leader in career assists (641) and has three of the Top 10 single-season totals in the record book.

He averaged 14.9 points, a Big Ten-leading 5.4 assists and 1.6 steals per game during his comeback campaign in 2013-14 following a season-ending Achilles tendon rupture the year before. He was named to the All-Big Ten Third Team and produced Penn State's 18th 500-point season performance, finishing the 2013-14 campaign with 508 points.

Frazier finished that season with 182 assists, at the time, the third-most of any PSU player in a single season. He owns two undergraduate degrees from Penn State and was a Lowe's Senior CLASS Award finalist in his final year, illustrating his dedication to all aspects of being a true student-athlete.

Frazier spent time with the Philadelphia 76ers, Portland Trailblazers, New Orleans Pelicans and Washington Wizards. He is currently with the Milwaukee Bucks organization.

ALL-TIME GREAT PLAYERS

GENE HARRIS

C / 6-3 / PITTSBURGH, PA.

One of the most prolific scorers and rebounders in Penn State history, Gene Harris holds the Lions' all-time game scoring record with 46 points vs. Holy Cross in 1961.

Harris posted career averages of 14.8 ppg and 11.0 rebounds per game in just three seasons and 69 games in the era of freshman ineligibility. He posted 18.7 ppg and 13.0 rpg during his senior season of 1962.

The three-year starter and 1962 captain stands fourth all-time with 762 career rebounds and 33rd with 1,018 career points. He led Penn State in rebounding all three years of his career, never posting less than 10.0 rpg, and in scoring twice.

TITUS IVORY

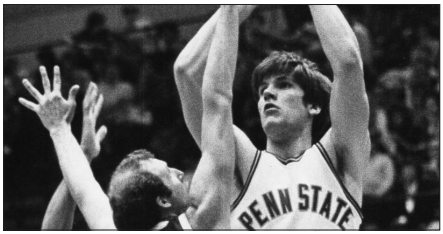

G / 6-4 / CHARLOTTE, N.C.

An all-around player, Ivory ranks among Penn State's career leaders in points, assists and steals and helped lead Penn State during one of the program's best periods as the team made three post-season appearances during his career, including trips to the 2001 NCAA "Sweet 16," 1998 NIT final and 2000 NIT semifinals.

Ivory stands 13th all-time in scoring with 1,369 points, sixth in three-pointers (206), eighth in assists (443) and third in steals (218). He led the team in assists and steals in 2001 and his team-leading steal total of 84 stands as the third-best mark all-time. He is one of three Lions to post 200 career steals and one of seven to log at least 1,000 points and 400 assists on a career.

A third-team All-Big Ten pick in 2001, he played in 129 career games and ranks fourth among NCAA Tournament scorers with 54 points, including 21 points in an upset victory of sixth-ranked and No. 2 seed North Carolina in the 2001 NCAA Tournament, widely considered the greatest game in Penn State history. He went on to a long career playing professionally overseas.

MIKE LANG

C / 6-9 / LOMBARD, ILL.

One of the most prolific rebounders in Penn State history, Lang joins Jesse Arnelle as the only two players in Nittany Lion history to post at least 1,000 career points and 800 career rebounds.

A 1983 first-team All-Atlantic 10 selection, Lang stands second only to Arnelle in career rebounding with 912, 150 more than the next closest Lion, and recorded 24 career double-doubles. Lang led Penn State in rebounding in three-straight seasons from 1981-83, posting more than 200 in each season.

Lang also stands 12th on the career steals chart with 133, including leading the Lions in 1980 and 1981, and ranks 34th in career scoring with 1,014 points. He twice earned the John Lawther Team MVP award in 1982 and 1983.

A 1983 captain, he averaged 9.2 ppg and 8.3 rpg as a four-year starter. He helped lead the Lions to the 1980 NIT and was an eighth-round draft pick by the New York Knicks in 1983.

PETE LISICKY

G / 6-4 / WHITEHALL, PA.

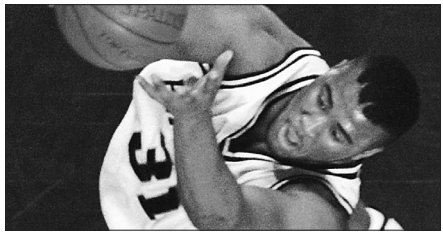

Known as "The Whitehall Rifle," Pete Lisicky was one of the greatest sharp shooters in Penn State history owning the career record for three pointers made (332) until it was broken in 2018. His record for consecutive free throws made (39) still stands.

With a career average of 13.6 ppg, he earned the John Lawther team MVP award after the 1997 and 1998 seasons, 1996 AP Honorable-Mention All-America honors, second-team All-Big Ten honors in 1997 and third-team in 1997 and 1998. Lisicky also holds the single-game record for most three-point field goals made with nine against Penn on December 9, 1995 and is the Lions' sixth all-time scorer with 1,605 career points.

He helped Penn State to a 1996 NCAA tournament appearance, scoring 17 points on five three-pointers in a first round loss to Arkansas. A three-year starter and 1998 captain, Lisicky helped lead the Lions to three post-season appearances including a third place finish in the 1995 NIT and a second place finish in the 1998 NIT.

Penn State posted a 71-48 mark during his career. A two-time second-team CoSida Academic All-American, he ranks third all-time among Lions in NIT scoring with 124 points.

JARRETT STEPHENS

F /6-7 /FERNDALE, MICH.

A first-team All-Big Ten and USBWA All-Region selection in 2000, Jarrett Stephens was one of Penn State's most effective Big Ten post players and ranks 12th all-time in scoring (1,372) and 11th in rebounding (703).

His 368 rebounds in 2000 rank as the second-most in a season at Penn State. He posted stellar marks of 18.8 ppg and 10.5 rpg during his senior season and set Penn State's single-season field goal percentage record hitting 64 percent from the floor in his junior year, a record that stood until the 2017-18 season.

Stephens ranks second on Penn State's all-time career field goal percentage list with a shooting percentage of 58.3 in 120 career games while averaging 11.4 ppg and 5.9 rpg. He was named to the NIT All-Tournament team after helping to lead Penn State to a third-place finish in the 2000 NIT and ranks as the Lions' all-time leading NIT scorer with 147 points, including 28 in the third-place game victory over NC State.

He is one of just five players to post at least 1,300 points and 700 rebounds on their Penn State career.

D.J. NEWBILL

G / 6-4 / PHILADELPHIA, PA.

D.J. Newbill did more in three years as a Nittany Lion than many players do over a full four-year career. He is ranked fourth in Penn State career scoring, producing 1,812 points with a three-year scoring average (18.3 ppg) that is second only to Jesse Arnelle.

An All-Big Ten selection each of his final two seasons, Newbill became the third PSU player all-time to produce back-to-back 600-plus point campaigns and is just the second PSU player with three-consecutive 500-plus point seasons. At the time, his senior year point total (704) trailed only Arnelle on the single-season records list.

Including his freshman season at Southern Mississippi, Newbill had 2,105 career points and was the only Big Ten player active in 2014-15 to pass that mark, and one of just nine other active Division I players.

BOB WEISS

G / 6-3 / ATHENS, PA.

A 1965 AP honorable-mention All-American, Bob Weiss was not only able to find success at the collegiate level but at the professional level as well. In 1965, he was drafted by Philadelphia in the third round and went on to play for Seattle, Milwaukee, Chicago, and Buffalo during a 13-year NBA career.

Weiss posted a career average of 16.3 points per game in his three years at Penn State scoring 1,091 points in only 67 games in the era of freshman ineligibility. He stands 25th all-time on the Penn State scoring charts never averaging less than 15.3 ppg on a season.

Weiss' 38 points vs. Duke in 1965 still stand tied for the seventh-best single-game scoring mark in PSU history. A 1965 All-Pennsylvania selection, Weiss was a three-year starter who helped lead State to a 51-16 record in three seasons, including a 20-4 mark and an NCAA Tournament appearance in 1965.

He begins his 33rd year of coaching in the NBA as an assistant coach with Denver, with head coaching stops at Seattle, San Antonio, Atlanta and the Los Angeles Clippers. Weiss spent three seasons in China, two as the head coach of the Shanzi Zhongyu Brave Dragons and one season leading the Shandong Lions.

NBA Deputy Commissioner Mark Tatum congratulates Tony Carr after he was selected by the New Orleans Pelicans with the 51st pick of the 2018 NBA Draft.

PENN STATE UNIVERSITY

THE MISSION

Penn State's historic mission of teaching, research, and public service – launched under the most modest of circumstances more than 150 years ago – now reaches into virtually all parts of Pennsylvania. The University now has 24 campuses across the Commonwealth, putting a Penn State education within practical reach of nearly every Pennsylvanian. More than 70 percent of Penn State's undergraduates are Pennsylvania residents.

Penn State is Pennsylvania's largest nongovernmental employer and has employees and expenditures in every one of its 67 counties. The University generates a total economic impact across the Commonwealth that surpasses $17 billion annually.

Part of that impact is derived from Penn State's research program, which brought more than $534 million in federal funds to Pennsylvania last year, and an additional $91 million from private industry. As part of its Invent Penn State initiative, the University has funded 21 innovation hubs, designed to bolster entrepreneurship and economic development in communities surrounding its campuses across Pennsylvania.

Penn State's outreach and online programs — ranging from 4H to Cooperative Extension, from summer camps to public broadcasting — provide educational and service programs to more than a million Pennsylvania households annually.

THE BEGINNING

The University's presence throughout Pennsylvania today contrasts sharply with its humble beginnings. Chartered as a college of scientific agriculture, the institution was located in rural Centre County after James Irvin, a partner in the Centre Furnace iron works (remains of which can be seen today along East College Avenue), offered to donate 200 acres of farmland for a campus.

Founding President Evan Pugh wanted the fledgling institution to embody a new approach to higher education that blended classical studies with subjects that had practical value. He joined similar visionaries in other states in convincing Congress to pass the Morrill Land-Grant Act in 1862. The act gave individual states tracts of federal land to sell; the proceeds supported colleges that agreed to include engineering, science and the liberal arts as well as agriculture in their course of studies.

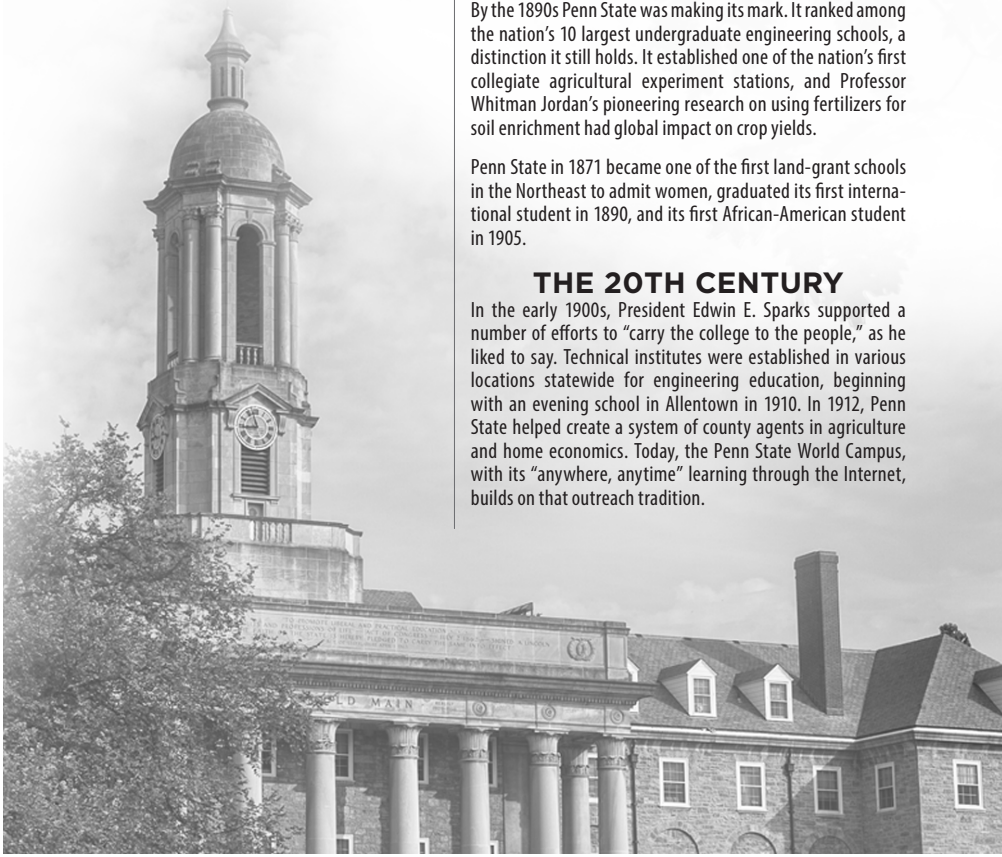

In 1863, the Pennsylvania legislature designated Penn State the Commonwealth's sole land-grant institution. The lawmakers in effect bestowed on the privately incorporated college a public character. In return for state support, the institution assumed obligations of teaching, research and service that are normally associated with publicly owned land-grant universities in other states.

By the 1890s Penn State was making its mark. It ranked among the nation's 10 largest undergraduate engineering schools, a distinction it still holds. It established one of the nation's first collegiate agricultural experiment stations, and Professor Whitman Jordan's pioneering research on using fertilizers for soil enrichment had global impact on crop yields.

Penn State in 1871 became one of the first land-grant schools in the Northeast to admit women, graduated its first international student in 1890, and its first African-American student in 1905.

THE 20TH CENTURY

In the early 1900s, President Edwin E. Sparks supported a number of efforts to "carry the college to the people," as he liked to say. Technical institutes were established in various locations statewide for engineering education, beginning with an evening school in Allentown in 1910. In 1912, Penn State helped create a system of county agents in agriculture and home economics. Today, the Penn State World Campus, with its "anywhere, anytime" learning through the Internet, builds on that outreach tradition.

But undergraduate education remained foremost. Enrollment surpassed 5,000 students by 1936, including those attending several undergraduate centers that were created for students who, in the depths of the Great Depression, could not afford to leave their hometowns to get a college education. The centers offered the first year of baccalaureate studies and were the predecessors of today's statewide system of campuses. Thanks to this innovative approach to higher education, Penn State in the 1930s became Pennsylvania's largest single source of baccalaureate degrees, a distinction it holds to this day.

POST WORLD WAR II

Following World War II, Penn State underwent unprecedented expansion, first to meet the needs of returning military veterans and later to accommodate the Baby Boom generation. Total enrollment at all Penn State campuses climbed to 40,000 by 1970.

The University also emerged on the national scene as a research powerhouse in fields as diverse as dairy science, acoustics, psychology and diesel engineering. The expansion of research went hand in hand with a steady increase in the number of graduate students. The University awarded its first graduate degree — a master's degree in scientific agriculture — in 1862, and the Graduate School was established in 1922. But overall graduate enrollment remained modest until the 1950s, then swelled steadily. The Graduate School has awarded to date approximately 130,000 master's, doctoral and other advanced degrees.

TODAY

The University Park campus is Penn State's administrative and research hub. In addition, there are 19 primarily undergraduate campuses; Penn State Health Milton S. Hershey Medical Center and the College of Medicine; the Pennsylvania College of Technology; Penn State Law: Dickinson Law; the Penn State Great Valley School of Graduate Professional Studies; and the Penn State World Campus.

To date, Penn State has awarded more than 840,000 degrees, hallmarks of an educational experience second to none in quality. In addition, Penn State alumni — including 348,000 in Pennsylvania alone — have job- and social-networking opportunities that no other college or university in the Commonwealth can surpass.

NITTANY LION LEGEND

Penn State's athletic symbol, chosen by the student body in 1906, is the mountain lion which once roamed central Pennsylvania.

H.D. "Joe" Mason, a member of the Class of 1907, conducted a one-man campaign to choose a school mascot after seeing the Princeton tiger on a trip with the Penn State baseball team to that campus. A student publication sponsored the campaign to select a mascot and Penn State is believed to be the first college to adopt the lion as a mascot.

Since Penn State is located in the Nittany Valley at the foot of Mount Nittany, the lion was designated as a Nittany Lion. In regional folklore, Nittany (or Nita-Nee) was a valorous Indian princess in whose honor the Great Spirit caused Mount Nittany to be formed. A later namesake, daughter of chief O-Ko-Cho, who lived near the mouth of Penn's Creek, fell in love with Malachi Boyer, a trader. The tearful maiden and her lost lover became legend and her name was given to the stately mountain.

LION SHRINE

Penn State's Nittany Lion shrine was dedicated on Oct. 24, 1942, during Homecoming Weekend. Animal sculptor Heinz Warneke and stonecutter Joseph Garatti molded a 13-ton block of Indiana limestone into the most recognizable symbol of Penn State. The shrine was chosen from six models submitted by Warneke.

The shrine is a gift of the Class of 1940 and rests in a natural setting of trees near Rec Hall. The site was chosen because of its accessibility, the surrounding trees and the fact that the sculpture would not be dwarfed by nearby buildings.

BLUE & WHITE

Penn State's student-athletes are instantly identified by their blue and white uniforms – but those weren't the original school colors. A three-member committee representing the sophomore, junior and senior classes was appointed in October of 1887 to develop color options from which the student body would select the school's official colors. Dark pink and black was the unanimous choice of the student body after considering other combinations presented.

Soon many students and the baseball team were sporting pink and black striped blazers and caps. However, problems arose when the pink faded to white after several weeks of exposure to the sun. The students then opted for blue, rather than black, and white. The official announcement of the new choice was made on March 18, 1890.

ERIC J. BARRON

President • Fifth Year
Florida State '72 (B.S.)
University of Miami '76 (M.S.)
University of Miami '80 (Ph.D.)

PRESIDENT ERIC J. BARRON took the helm of Pennsylvania's flagship public university on May 12, 2014, arriving from Florida State University, where he had been president for four years. No stranger to Happy Valley, he had previously spent 20 years of his career at Penn State, serving on the faculty of the College of Earth and Mineral Sciences and as dean of the college.

Dr. Barron has nearly 40 years of leadership experience in academic administration, education, research and public service, and a track record as a talented manager of fiscal policy within large and complex institutions. In recognition of his expertise and leadership in higher education, he was named chairman of the Commission on Innovation, Competiveness and Economic Prosperity for the Association of Public Land-grant Universities (APLU) in fall 2017.

As leader of Penn State, Dr. Barron oversees a research enterprise of more than $863 million and more than 20 campus locations. His responsibilities also include oversight of two law schools, the internationally recognized online educational enterprise Penn State World Campus, and a nearly $2 billion health enterprise, which includes the Penn State College of Medicine and the Penn State Health network, in Hershey, Pa.

Penn State University President Eric J. Barron introduced Sandy Barbour as the Nittany Lions' ninth Director of Athletics on July 26, 2014.

Penn State's current enrollment is approximately 99,000 students, and it boasts the world's largest dues-paying alumni association in the world.

During his tenure as president of Penn State, Dr. Barron has made access and affordability; student engagement; economic development; job creation and student career success; technology and diversity and demographics priorities. His Invent Penn State initiative aims at ramping up investment in economic development and student career success. By leveraging the size and broad research strengths of the University, Dr. Barron has made it a goal that Penn State will be a driver for job creation, entrepreneurship, and economic development, and will accelerate the transfer of new ideas into useful products and processes that encompass a broad range.

Since its inception, Invent Penn State has partnered with the University's campuses across the Commonwealth to open 21 innovation hubs available to the surrounding communities. Since opening, the hubs have accelerated more than 100 startups, supported nearly 3,000 faculty, staff, students and community entrepreneurs, and hosted more than 100 events and pitch competitions.

As part of his fiscal duties, Dr. Barron has pursued various cost-saving measures and increased revenue for Penn State in an effort to lower the University's cost structure while continuing to focus on academic excellence and fulfilling Penn State's land-grant mission.

Dr. Barron earned a bachelor of science degree in geology at Florida State in 1973 before moving on to the University of Miami, where he earned master's and doctoral degrees in oceanography. At Penn State, Dr. Barron served as dean of the College of Earth and Mineral Sciences from 2002-06, and as founding director of the Earth System Science Center, one of the first major initiatives focused on the total study of Earth as a system. He also had a simultaneous appointment as director of the Earth and Mineral Sciences Environment Institute. In 1999, he was named Distinguished Professor of Geosciences at Penn State.

An accomplished scientist with a long background in atmospheric research, Dr. Barron served as director of the National Center for Atmospheric Research (NCAR) and as dean of the Jackson School of Geosciences at the University of Texas at Austin. Early in his career he was a postdoctoral research fellow and scientist at the National Center for Atmospheric Research in Boulder, Co.

SANDY BARBOUR

Director of Athletics • Fifth Year
Wake Forest '81 (B.A.)
Massachusetts '83 (M.S.)
Northwestern '91 (M.B.A.)

Rcognized as one of the nation's premier Athletic Directors, Sandy Barbour is in her fifth year as the dynamic leader of the Penn State Intercollegiate Athletic program. With student success as a steadfast focus, Barbour has helped the Nittany Lions continue to ascend as one of the nation's most successful athletic departments in comprehensive excellence.

Barbour began her passionate and effective leadership of the Penn State Athletics program in August 2014. President Eric J. Barron named Barbour the Nittany Lions' ninth Director of Athletics after serving 10 years as Director of Athletics at the University of California.

During Barbour's initial four years, Penn State student-athletes have consistently raised the bar and broken school academic records. During the 2017 fall semester, a record 26 Nittany Lion teams and 520 student-athletes earned at least a 3.0 grade-point average. A total of 173 Nittany Lion students earned their degrees during the 2017 calendar year.

Barbour has more than 35 years of varied experiences as a collegiate administrator and coach, with a demonstrated record of championships, academic success, innovation, facility modernization and revenue growth. She directs one of the nation's most comprehensive and successful athletic programs that boasts an NCAA Graduation Success Rate of 90 percent, with 31 sports and an Intercollegiate Athletics staff of more than 300, whose mantra is preparing students for a lifetime of impact.

Nittany Lions Students are the "Why" for Penn State Athletics

It didn't take long for Barbour to begin implementing her vision for Penn State Intercollegiate Athletics and creating conditions for success for the department's "Why" – the more than 800 Nittany Lion student-athletes.

Six months after arriving at Penn State, she announced a reorganization of ICA that introduced a more vertical structure to encourage communication and collaboration across functional units and sports. Four administrative divisions were formed: student-athlete performance, health and welfare; internal and external operation, administration and business and finance.

Midway through 2015, Penn State Athletics launched a wide-ranging strategic planning process and conducted a series of town hall meetings. Students, faculty and staff, alumni, donors and the public were presented with some of the initial findings of the project and had an opportunity to provide feedback. The project helped determine strategies and priorities for the formalized 2017-21 strategic plan.

AD of the Year Recipient in 2016-17 and Finalist in 2018

Barbour's leadership was recognized with her selection for the prestigious National Association of Collegiate Directors of Athletics (NACDA) Under Armour AD of the Year Award in 2016-17, having directed Penn State to nine conference championships and one NCAA title. She was among four Football Bowl Subdivision (FBS) Athletic Directors to be honored at the 2017 NACDA Convention, marking the second time she's received the NACDA honor.

In March 2018, she was named one of five finalists for Sports Business Journal's prestigious Athletic Director of the Year. Barbour, the recent chair of the Big Ten Athletic Directors, was recognized at the 11th Annual SBJ Sports Business Awards Gala in New York City in May, the second time she's been a finalist for SBJ's Athletic Director of the Year.

Academic Excellence Among Record-Setting Achievements; 90 Percent NCAA Graduation Rate

Penn State student-athletes have consistently delivered record-setting academic performances during Barbour's tenure. In the 2017 fall semester, Nittany Lion students again shattered school marks, as 26 teams and 520 student-athletes, earned at least a 3.0 grade-point average. A record total of 253 Nittany Lion students posted at least a 3.5 GPA last fall to garner Dean's List honors (minimum 12 credits). The combined 2017 fall semester GPA was 3.14, tying the school mark.

Starting with the 2014 fall semester, Barbour's first as Penn State AD, Penn State student-athletes have achieved the seven highest semesters all-time for the number of students earning at least a 3.0 GPA.

In November 2017, the NCAA released its annual national graduation rates study, which revealed that Penn State student-athletes earned a school record-tying Graduation Success Rate (GSR) of 90 percent, which is an increase of two points from the 2015 NCAA report. Nine Nittany Lion teams earned a perfect 100 percent Graduation Success Rate, up from five squads in 2015.

Total of 270 Graduates Since May 2017; Record 360 Academic All-Big Ten Honorees

A total of 268 Penn State student-athletes have earned their degrees since May 2017, with 173 during the 2017 calendar year and 95 who graduated following the 2018 spring semester. A total of 15 Nittany Lions have earned CoSIDA Academic All-America accolades during Barbour's tenure, boosting Penn State's all-time total to 201, good for No. 4 nationally among Division I institutions.

During the 2017-18 academic year, NIttany Lion students again shattered school records for Academic All-Big Ten honorees (3.0 GPA), with 360 recipients. Seasonal marks were set by student-athletes from the fall (117) and spring/at-large (166) sports and the spring/at-large total was a Penn State record for the sixth consecutive year.

Five NCAA Team Championships and 23 Conference Titles

During Barbour's four years of leading Penn State Athletics, the Nittany Lions have captured a total of five NCAA Championships in women's soccer, women's volleyball and wrestling and won 18 Big Ten titles and five EIVA crowns for a total of 23 conference championships.

The Nittany Lions won their third consecutive NCAA Wrestling Championship and captured three Big Ten crowns or tournament titles in 2017-18 in wrestling, women's soccer and women's volleyball. A total of 21 Penn State squads participated in their respective NCAA Championship or a bowl game (Fiesta Bowl Champions) in 2017-18 and Zain Retherford won the Hodge Trophy as the nation's top wrestler for the second consecutive year.

In 1996, Barbour was appointed Tulane's director of athletics at age 36, and during her three years overseeing the program, Green Wave teams won 12 conference championships. In her first year in the position, the school captured four conference titles, a feat never before accomplished in Tulane history. She also hired Tommy Bowden as head football coach during her first year. Bowden proceeded in 1997 to post the Green Wave's first winning season (7-4) in 16 years, and then directed the school to a 12-0 record, a Conference USA championship and a No. 7 national ranking the following season as the 1998 Liberty Bowl champions. Barbour was recruited to Tulane as an associate athletic director in 1991.

Born in Annapolis, Md., Barbour grew up in a military family. Her father was a career aviator in the U.S. Navy, and her family lived in various U.S. locations as well as in Western Europe during her childhood.

Barbour graduated cum laude in 1981 with a B.S. degree in physical education from Wake Forest University, where she was a four-year letterwinner and served as captain of the field hockey team. She also played two seasons of basketball.

Barbour earned advanced degrees at the University of Massachusetts (an M.S. in sports management in 1983) and Northwestern's Kellogg School of Management (an MBA in 1991). Barbour's career in intercollegiate athletics began as a field hockey assistant coach and lacrosse administrative assistant at Massachusetts in 1981.

Barbour and Deputy Athletic Director Lynn Holleran congratulated Nittany Lion student-athletes, including Julian Moore, far left, and Deivis Zemgulis, far right, for their academic achievements at halftime of a 2017 football game.

BRYCE JORDAN CENTER

Even though one of the worst winters in Penn State history set initial construction back several months, this state-of-the-art, 400,000 square foot multipurpose building, the Bryce Jordan Center, became reality on January 6, 1996.

Funded through state and private dollars at a cost of $55 million, this versatile center was designed to to be a major source of athletic, academic, conference and entertainment in Central Pennsylvania for decades to come.

The Jordan Center accommodates a variety of groups and events, from a 20-person meeting to a banquet for 1,600 to a concert with 15,000 guests.

With the groundbreaking in 1993 and with the help of a mild winter in 1995 and two years of construction, the Nittany Lions earned their first win in the new building on January 11, 1996. In 2017-18, with the support of spirited alumni, fans and the Legion of Blue student section, Penn State men's basketball added 15 more home wins to their total.

In addition to being home to Nittany Lion and Lady Lion basketball, the Jordan Center has played host to the top names in the entertainment industry. In 2018, The Bryce Jordan Center was recognized globally as it was ranked second in the world in concert and event tickets sold among university venues.

The popular venue recently completed a major renovation with the installation of a state-of-the-art adaptive sound system by Eastern Acoustic Works (EAW). The system, which uses 3D modeling to direct sound to all areas of the arena, is only being used in two other arenas – both NBA facilities – at this time.

Because of its high quality, this adaptive sound technology was used on Tom Petty's final tour, and is currently being used in several Broadway theaters. Additional speakers were also added under the scoreboard to enhance the sound on the floor.

The center, built adjacent to the University's 106,572 seat Beaver Stadium, has a bi-level design, which gives it a lower profile and complements the curve of nearby landmark Nittany Mountain. Architect Rosser International Inc. of Atlanta came up with the plan, which incorporates brick and glass, helping to retain some of the university feel while taking advantage of a spectacular view.

The quantities of materials used in the construction were staggering: 3,100 tons of structural steel, 26,000 cubic yards of concrete and 5,600 tons of precast concrete (seating). The highest point from the floor to the roof is 126 feet.

VIP boxes, a top-of-the-line computer controlled rigging system, meeting and function rooms and the goal of a "Disneyland atmosphere" when it comes to customer service was designed to help make the Bryce Jordan Center a showpiece among other university and multipurpose facilities.

"From a university standpoint this gives us a facility to use for university functions and athletics," said Bill McKinnon, former vice-president for business and operations at Penn State. "But we're also looking for it to become a civic center for the middle of this state. We wanted to build a facility that not only served the university's needs, but also the region's needs."

The facility has hosted NBA preseason games, family shows, commencements and lectures, as well as some of the top name performers in the entertainment industry. Country superstar Garth Brooks' 2015 comeback world tour shows at the BJC sold out in just three minutes, becoming the fastest sellout in the arena's history.

Other performers who have appeared recently at the Jordan Center include Luke Bryan, Jay-Z, Taylor Swift, Justin Timberlake, Aerosmith, Bruce Springsteen, Kanye West, The Weeknd, Janet Jackson, Elton John, Kevin Hart and Metallica.
